About This Game

What do you think of when you hear "Ball Grabbers"? That's right, *physics-based Sports-Arcade soccer fighting madness!*

Challenge your friends in **Ball Grabbers**, grab the ball better than them, and scoooooore! Pick your character based on your strategy, perform Power-shots, tackle your mate to the ground, and do what you must to beat everyone until you're crowned the ultimate Ball Grabber.

Toss, dash, tackle, jump and throw the ball, but beware of all the animals, bombs, traps and whatnot!

Choose from 5 gorgeous arenas filled with detail and use their shape and quirks to your advantage! Select a character from 3 unique fighters, each with strengths of their own.

Ball Grabbers plays best with controllers, but can also be enjoyed on a single keyboard by two players - like back in the day!
