as others wrote, this isnt lifeetime since i reinstalled steam few times and now can use it anymore. thats really wierd auth-management system.. Software refuses to activate after upgrading multiple times to new PCs. False advertising by a scummy developer.. as others wrote, this isnt lifeetime since i reinstalled steam few times and now can use it anymore. thats really wierd auth-management system.. had issues rebuilding my rig multiple times and its locked me out from using the service, now its telling me i need to buy it again..
