## About This Game

Fight against the clock avoiding obstacles while building up speed to get as far as possible before time runs out. Void rush is about positioning yourself and collecting as many speed boosts while trying to avoid all the obstacles that block your path. The idea is to get as far as possible before time runs out, this means picking up the speed boosts even if that means you will have to react quicker and move faster.

## Features

- Risk reward gameplay that pits you against the clock
- Challenge mode that tests your skills in different aspects of the game such as reaction speed and manoeuvrability.
- Synth soundtrack
- Interesting visuals that are influenced by the soundtrack
- Full controller support

## Disclaimer

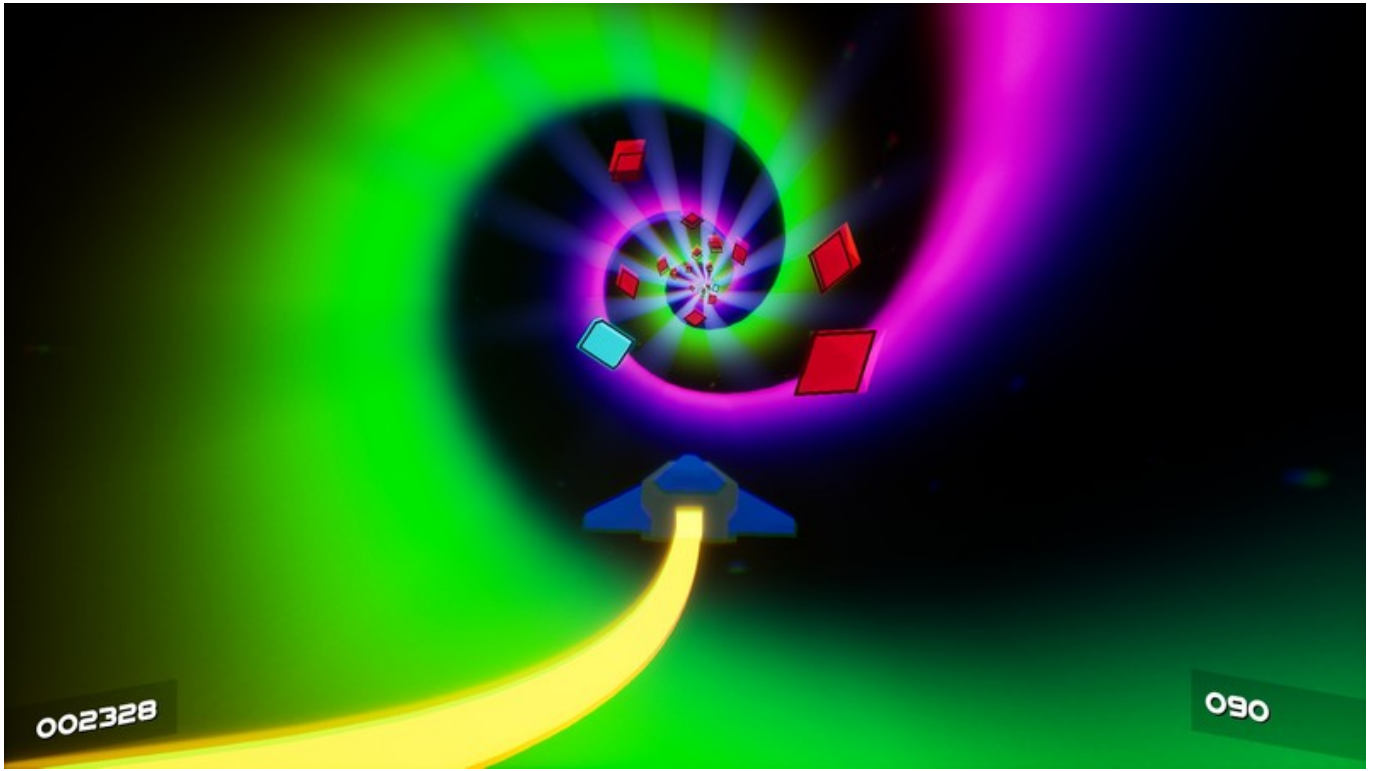

Due to the spinning motion of the game sufferers of motion sickness should take care when playing.
